4.4 UNCLASSIFIED UNDERGRADUATE STUDIES

- Students may apply to USP to take courses under Unclassified Studies that do not lead to the award of a certificate, diploma or degree.
- Students enrolling for Unclassified Studies must meet the admission requirements and prerequisites as appropriate, except where it is provided as a bridging programme for admission from Year 12 or Year 13 or equivalent.
- Students for Unclassified Studies shall pay fees as if they were proceeding to the relevant degree, diploma or certificate.
- The Credit Transfer Regulations crediting of courses shall apply.
- A student who has passed a course under Unclassified Studies may at a later date have this course credited towards a degree, diploma, or certificate.

5.0 PROFESSIONAL DIPLOMA (Minimum 70 credit points)

5.1 Programme Requirements

- USP offers Professional Diplomas that enable a person to become registered and be able to practice in a particular discipline. The Professional Diplomas are offered to students who have completed a relevant first degree that covered knowledge and skills in the area.

- (b) The Professional Diploma programmes are intensive and comprise courses (10 credit points each) that cover specific knowledge and skills that will introduce students to the requirements of practice in the discipline.
- (c) The Professional Diplomas are competency-based and performance in each course is recorded by the award of Pass or Fail.
- (d) There are no final examinations for the Professional Diploma programmes. The performance of students shall be assessed entirely by coursework which shall stipulate specific assessments relevant to the discipline.

5.2 Admission Requirements

- (a) Full details and admission requirements for Professional Diplomas appear under the Academic Unit in which they are offered.
- (b) The general admission requirements for the Professional Diplomas are:
 - (i) a USP bachelor's degree with a grade point average (GPA) of at least 3.0 in the 200 and 300-level courses of the relevant discipline;
 - (ii) a tertiary qualification deemed by Senate or its delegate to be equivalent to clause 5.2(b)(i);
 - (iii) a professional qualification deemed by Senate or its delegate to be equivalent to clause 5.2(b)(i);
 - (iv) in exceptional cases, demonstrated experience or achievement deemed by Senate or its delegate to be sufficient; or
 - (v) eligible under the mature student admission in clause 11.3.

6.0 POSTGRADUATE CERTIFICATE AND DIPLOMA

- (a) At postgraduate level, USP offers Postgraduate Certificates and Diplomas in a range of disciplines. Graduate Certificates and Diplomas are offered to students whose first degree is in a different discipline (whereas Postgraduate Certificates and Diplomas are in the same discipline as the first degree). In most instances, these can lead to Master's Degree programmes, and subsequently to a Doctor of Philosophy (PhD) degree. Most postgraduate courses are available on-campus only.
- (b) Graduate Certificate and Postgraduate Certificate courses comprise of 30 credit points (2 courses) except for the PGCTT which is 45 credit points (3 courses).
- (c) Senate's delegate in postgraduate matters (apart from confirming completion of a programme) is the relevant Academic Unit Research Committee.

6.1 Programme Requirements

- (a) Full details and programme requirements for Graduate and Postgraduate Certificates (30 credit points) except PGCTT (45 credit points) and Diplomas (60 credit points) appear under the Academic Unit in which the programmes are Graduate and Postgraduate.
 - (i) The Postgraduate Diploma is the normal entry qualification for the degree of Master.
 - (ii) Each Postgraduate Diploma shall have a recognised and consistent structure in which the core and the optional courses are clearly defined, and shall be approved by Senate, as listed in the Programmes section of this Handbook and Calendar under respective Academic Units.
 - (iii) The maximum period of candidature for the Postgraduate Diploma shall be 2 years of full-time study or 4 years of part-time study.

- (iv) Students shall not be allowed, during their candidature for the Postgraduate Diploma, to suspend their studies for more than 12 months.
 - (v) A student who has obtained a GPA of 4.5 after completing at least 2 courses in the Postgraduate Diploma may apply for admission to the Master's degree programme, provided one of the courses is in Research Methods.
 - (vi) A student admitted into the Postgraduate Diploma shall not be allowed to enrol concurrently in the Master's Degree programme.
- (b) In addition to the above general programme regulations, some Postgraduate Diplomas may have specific regulations.

6.2 Admission Requirements

- (a) Full details and admission requirements for postgraduate certificates appear under the Academic Unit in which they are offered.
- (b) The general admission requirements for the postgraduate diploma are:
 - (i) a USP Bachelor's Degree with a grade point average (GPA) of at least 3.0 in the 200 and 300-level courses of the relevant discipline;
 - (ii) a tertiary qualification deemed by the Senate or its delegate to be equivalent to clause 6.2(b)(i);
 - (iii) a professional qualification deemed by the Senate or its delegate to be equivalent to clause 6.2(b)(i);
 - (iv) in exceptional cases, demonstrated experience or achievement deemed by the Senate or its delegate to be sufficient; or
 - (v) eligible under the mature student admission in clause 11.3.
- (c) Notwithstanding the provisions set out above, Senate or its delegate may require applicants to demonstrate their suitability for admission by carrying out such work and/or sitting for such examinations as it may determine. A 400-level course taken as a qualifying course for the Postgraduate Diploma may become part of a future postgraduate programme.
- (d) Some programmes have additional or exceptional admission or programme requirements, which have been listed with the programmes themselves under their respective Academic Units.

7.0 MASTERS (Minimum 120 credit points)

- (a) A Master's programme is for the duration of 2 years and is equivalent to 120 credit points.
- (b) The degree of Master is normally taken after an appropriate Postgraduate Diploma, except in the cases of the following Master's by Coursework:
 - Master of Environmental Laws (MEL);
 - Master of Laws (LLM);

7.1 Master's Programme

7.1.1 Programme Requirements

(a) Admission Requirements

Persons shall be eligible to be admitted to study for the degree of Master programme (120 credits) if they have obtained an appropriate Postgraduate Diploma from USP worth at least 60 credits with a GPA of at least 3.0.

(b) Master's by Thesis /Coursework

Persons shall be eligible to be admitted to study for the degree of Master by Thesis/Coursework (120 credits) if they have:

- (i) a Bachelor's Degree from USP with a GPA of at least 4.0 in the courses in an appropriate major(s) at the 200- and 300- levels. They may then bypass the Postgraduate Diploma and proceed to complete the Master's programme by thesis. The candidate may be required to complete Postgraduate course(s) as specified for admission to the Master's programme.
- (ii) obtained an appropriate Postgraduate Diploma from USP worth at least 60 credits with a GPA of at least 3.0.
- (iii) a student who has obtained a GPA of 4.5 after attaining at least 30 credits in a Postgraduate Diploma programme may be admitted to the Master's Degree programme provided one of the courses is Research Methods.
- (iv) obtained from another tertiary institution a qualification deemed by the relevant Academic Unit Research Committee to be equivalent to a USP Bachelor's Degree worth at least 180 credits with a GPA of at least 4.0 in the 200 and 300 level courses of the relevant discipline.

(c) Master's by Supervised Research Project

To be admitted to Master's by SRP, students must complete a Postgraduate Diploma with the GPA of 3.0 and take 2 additional courses with an average GPA of 3.0.

- (d) The Senate or its delegate may require applicants to demonstrate their suitability for admission as students for the degree of Master by carrying out such work and/or sitting for such examinations as it may determine.
- (e) Students with a GPA of 3.0 in the Postgraduate Diploma programme after attaining 30 credit points may be invited to submit a statement of research intent at that time with the aim of pursuing a Master by Thesis on completion of their Postgraduate Diploma programme.
- (f) Applications for admission into the Master programme must be made to the relevant Academic Unit Research Committee and include details required in the application for Admission to a Postgraduate programme, including a statement of research intent that has been discussed with and formally endorsed by a potential supervisor(s). This statement of intent shall be converted to a full proposal and endorsed by the supervisor.
- (g) Student registration for the degree of Master's shall remain provisional until the formal acceptance of the research proposal. For full time students, the proposal should be submitted by the end of week 7 of the semester; for part time students, the proposal should be submitted by the end of week 14 of the semester.
- (h) The Academic Unit must provide provisional approval within 1 week of submission to allow students to continue their research.
- (i) At the end of the provisional enrolment period, the appropriate Academic Unit Research Committee shall, on the advice of the supervisory team, decide whether as a result of the review of the student's work, the student's enrolment for the Master should be confirmed or definitively cancelled.
- (j) If the student's enrolment is confirmed, the date of registration of the student of the degree of Master's by Thesis shall be the date on which they were enrolled provisionally for the degree.
- (k) Normal semester fee will be charged for the provisional enrolment semester.

7.1.2 Academic Supervisors

The relevant Academic Unit Research Committee shall appoint supervisor(s) for every student enrolled in a Master's by Thesis programme. One supervisor who is a USP staff shall be referred to as the Principal Supervisor.

7.1.3 Responsibilities of Master's Students

- (a) After enrolment, every student of Master's by Thesis shall be required to:
- (i) register every semester until the thesis has been submitted for examination;
 - (ii) be enrolled for a period of candidature prescribed in clause 7.1.1(c)
 - (iii) submit a thesis embodying the results of the research and satisfying any requirements for oral, written, practical or other work that may be required by Senate or its delegate.
- (b) Students enrolled for a thesis shall submit to the relevant Academic Unit Research Committee at the end of every 6 months a report on their progress during the semester just ended. The report shall include a brief plan agreed to by the supervisor and student for remaining work.

7.1.4 Candidature

- (a) Tenure of the degree of Master shall be from the date of registration and shall not include any period during which, with the prior approval of the Senate or the Chair of the Academic Unit Research Committee, students have been allowed to suspend their studies.
- (b) Students may be allowed during their candidature to suspend their studies for up to six months (being one semester) on application showing sufficient cause to the Chair of the Academic Unit Research Committee through their supervisor. Any appeal arising should be pursued through the Student Grievance Policy. A student suspending his/ her studies without prior approval will be considered to have withdrawn from the programme.
- (c) A student who has been granted suspended candidature and does not resume in the following semester will be considered to have withdrawn from the programme.
- (d) The normal period of candidature for the degree of Master shall be 120 credit points (two years full-time or four year part-time study) or Postgraduate Diploma (60 credit points) plus thesis (60 credit points).
- (e) The minimum period of candidature for the degree of Master shall be one year full-time study and shall be two years part-time study.
- (f) The maximum period of candidature for the degree of Master shall be three years full-time study and six years part-time study.

7.1.5 Examination of Master's Thesis

- (a) For the examination of the Master's thesis the relevant Academic Unit Research Committee shall appoint two examiners, one of whom shall be a USP staff. The other examiner shall be external to the University.
- (b) Persons involved in the supervision of the thesis shall not be engaged as examiners.
- (c) If the University lacks the required expertise to examine either Master the relevant Academic Unit Research Committee shall appoint two external examiners.
- (d) For Supervised Research Project, both examiners may be internal to the University

8.0 DOCTOR OF PHILOSOPHY

8.1 Programme Requirements

(a) Academic Supervisors

The relevant Academic Unit Research Committee shall appoint at least two supervisors for every doctoral student. One supervisor shall be a USP staff and shall be referred to as the Principal Supervisor who would normally have had some supervision experience.

(b) Responsibilities of PhD Students

After enrolment, every student of the degree of Doctor of Philosophy shall be required to:

- (i) register each semester until the thesis has been submitted for examination;
- (ii) pursue courses of advanced study or research at the University to the satisfaction of Senate or its delegate and the Principal Supervisor;
- (iii) be enrolled for the period of candidature;
- (iv) The Chair of the Academic Unit Research Committee may permit a student to pursue studies at another institution for such period as may be determined:
 - (a) laboratory work may be carried out in an approved institution outside the University for such period or periods as may be determined by Senate or its delegate; and/or
 - (b) field work may be carried out at such places and for such periods as may be determined from time to time by Senate or its delegate; and
- (v) have at least one (joint) ranked publication (journal or conference proceeding paper) accepted during his or her candidature.
- (vi) submit a thesis embodying the results of the research to satisfy any requirement for oral, written, practical or other work that may be required by Senate or the relevant Academic Unit Research Committee.

Students enrolled for thesis shall submit to the relevant Academic Unit Research Committee every 6 months a report on their progress per semester just ended. The report shall include a brief plan agreed to by the supervisor and student for remaining work.

(c) Candidature

- (i) Tenure of candidature for the degree of Doctor of Philosophy shall be from the date of registration and shall not include any period during which, with the prior approval of Senate or its delegate, students have been allowed to suspend their studies.
- (ii) Students may be allowed during their candidature to suspend their studies for up to 12 months in total (being two semesters, which need not be consecutive) on application showing sufficient cause to the Chair of the Academic Unit Research Committee through their supervisor. Any appeal arising should be pursued through the Student Grievance Policy. A student suspending his/her studies without prior approval will be considered to have withdrawn from the programme.
- (iii) A candidate who, having suspended candidature with approval as provided for in clause 8.1(c)(ii), does not resume in the following semester will be considered to have withdrawn from the programme, and candidature will lapse automatically.
- (iv) The normal period of candidature for the degree of Doctor of Philosophy shall be three years full-time study and six years part-time study.
- (v) The maximum period of candidature for the degree of Doctor of Philosophy shall be five years full-time study and ten years part-time study.

(vi) In exceptional cases, a thesis may be submitted before the normal period so long as the credit points requirements has been met and with the approval of the Deputy Vice-Chancellor (Research, Innovation & International) (DVC(RI&I)) on the recommendation of the relevant Academic Unit Research Committee.

8.2 Admission Requirements

- (a) Any person who has been awarded a degree of Master's by Thesis by a Senate- recognised university shall be eligible to apply for admission as a student of the degree of Doctor of Philosophy and, if the application is approved, to be so registered.
- (b) An applicant having a Master's by Coursework shall be required to complete a Directed Research Project as a prerequisite for admission to PhD.
- (c) Any person who has been awarded a First Class Honours from a Senate-recognised university shall be eligible to apply for admission to PhD.
- (d) A person can be admitted into a PhD programme at the start of the next month.
- (e) Applications for admission must be made to the relevant Academic Unit Research Committee and include details required in the application for Admission to a Postgraduate programme, including a statement of research intent that has been discussed with and formally endorsed by a potential supervisor(s). This statement of intent shall be converted to a full proposal and endorsed by the supervisor(s).
- (f) Student registration for the degree of Doctor of Philosophy shall remain provisional until the formal acceptance of the research proposal. For full time students, the proposal should be submitted in the prescribed format by the end of the first semester; for part time students, the proposal should be submitted by the end the second semester.
- (g) At the end of the provisional enrolment period, the relevant Academic Unit Research Committee shall, on the advice of the supervisory team, decide whether as a result of the review of the student's work, the student's enrolment for the PhD should be confirmed or definitively cancelled.
- (h) If the student's enrolment is confirmed, the date of registration of the student for the degree of Doctor of Philosophy shall be the date on which he or she was enrolled provisionally for the degree.
- (i) For final candidature confirmation, the candidate whose research project has been accepted must successfully pass a mid-term review through an oral presentation to the Academic Unit Research Committee in the first six months of the second-year. The mid- term review should demonstrate among other things:
 - (i) strong analytical, problem-solving and critical thinking abilities
 - (ii) required breadth and in-depth knowledge of the discipline
 - (iii) required academic background for the specific doctoral research to follow
 - (iv) potential ability to conduct independent and original research
 - (v) ability to communicate knowledge of the discipline
- (j) A candidate who has failed the mid-term review shall be given a second opportunity to defend her/his candidature within the next six months of registration after which the candidate should be definitively confirmed into the PhD candidature or invited to submit a Master thesis within the following semester.

- (k) Transfer of Registration from Master's Degree to PhD Degree:
- (i) The Academic Unit Research Committee may approve a student's application endorsed by the supervisor to transfer their registration from a Master's degree to a PhD degree after a minimum period of one year's fulltime work on the Master's thesis provided that the student submits the following documents to the Academic Unit Research Committee:
 - (a) a 12-month progress report highlighting the main achievements of the first year of work with a thorough justification of how the original Master's thesis proposal would be upgraded to PhD level;
 - (b) a PhD proposal highlighting how the results obtained in the first year of work will lead to the conclusion that the project should be upgraded to a PhD; and
 - (c) a formal presentation to the relevant Academic Unit Research Committee highlighting the achievements of the first-year of high quality research activities and a thorough justification of the reasons why the project should be upgraded to PhD level. The aim of this exercise is to demonstrate that the candidate has full command of her/ his subject and that the upgrading to a PhD is her/his own initiative and thus, is fully aware of the implication of this decision.
 - (ii) The Regulations for PhD students shall apply from the date the transfer was approved.

8.3 Submission of Thesis for Examination

- (a) A student who has fulfilled the conditions prescribed in these Regulations may apply to the Chair of the relevant Academic Unit Research Committee to have their thesis examined.
- (b) Students shall submit two copies of the thesis in the case of Master's, and three copies in the case of PhD, to the Academic Unit in a format prescribed by Senate.
- (c) The thesis may be soft cover or ring-bound for the purpose of the examination but, before the award of the degree, students must deposit with the USP Library two hardbound copies (three in the case of students of Samoa or Emalus) and one soft copy for retention by the University.
- (d) Before a student submits a thesis the Principal Supervisor must be satisfied that the student has completed his or her programme of advanced study and that the conditions specified in clause 7.1.1 (b) for Master's and clause 8.1 (b) for PhD have been fulfilled, and a certificate to this effect from the Principal Supervisor shall accompany the thesis when it is submitted.
- (e) Where there is disagreement over this certification between the Principal Supervisor and the student, the relevant Academic Unit Research Committee shall make an appropriate recommendation to the Senate or nominee.
- (f) A PhD thesis shall represent a substantial and original contribution to knowledge and may consist of either published or unpublished material or a combination of both. The thesis should contain evidence of originality, independent critical ability and suitable for publication.
- (g) The thesis may not contain any material that the student has previously submitted for a higher degree at any university.
- (h) A PhD thesis (including notes and bibliography) shall not exceed 100,000 words in length without approval from the Academic Unit Research Committee.
- (i) A Master's thesis (including notes and bibliography) shall not exceed 50,000 words in length without approval from the Academic Unit Research Committee.

8.4 PhD Thesis by Publication

- (a) The University will accept for examination a thesis which contains previously published material provided that:
 - (i) the publication makes an original and substantial contribution to the field of knowledge;
 - (ii) 4 publications in ranked journals and one of which in A/A* journals.
 - (iii) the thesis forms a consistent, coherent and unified whole;
 - (iv) the previously published material relates to research undertaken during the candidature and was published during the candidature;
 - (v) in the case of joint publication(s), a declaration by the authors must be submitted showing the percentage of contribution by each author, with the student's contribution being no less than seventy percent; and
 - (vi) in addition to the published material, the student provides, at the minimum:
 - (a) a general introduction which argues the aim and objectives of the thesis and contextualises the research problems it purports to address; and
 - (b) a general discussion and conclusion which draws together the findings of the studies in the context of the stated aim and objectives of the thesis.
- (b) The student shall be allowed to provide other separate chapters or appendices to supplement the published papers such as a broader literature review, background information, and detailed methodology used.
- (c) A thesis containing published material must be examined using the same criteria as outlined in clauses 8.5 to 8.9.
- (d) A thesis containing previously published material should be of comparable substance and significance, and show a level of contribution by the student comparable to that of a thesis not containing previously published material.

8.5 Examination of Thesis

- (a) For the examination of a PhD thesis the relevant Academic Unit Research Committee shall appoint three examiners, one of whom shall normally be a USP staff. The other two examiners shall be external to the University.
- (b) Persons involved in the supervision of the thesis shall not be engaged as examiners.
- (c) If the University lacks the required expertise to examine either Master or PhD thesis, the relevant Academic Unit Research Committee shall appoint all external examiners.

8.6 Reports by Examiners of Thesis

- (a) The relevant Academic Unit Research Committee shall submit a copy of the thesis and a copy of the Report Form to each examiner.
- (b) Prior to reporting, the examiners may require the student to undergo such oral, written or practical examinations as they may specify to the relevant Academic Unit Research Committee.
- (c) The examiners shall not consult with each other before presenting their reports.
- (d) Each examiner shall submit a full written report to the relevant Academic Unit Research Committee on the form provided and shall specify whether:
 - (i) the degree be awarded to the student; or

- (ii) the degree not be awarded to the student; or
 - (iii) the student undertake minor revisions and corrections to the thesis and these changes be approved by the internal examiner; or
 - (iv) the student undertake substantial revisions and corrections to the thesis and the thesis be re-examined by all examiners.
- (e) The recommendations of the relevant Academic Unit Committee together with the reports of the examiners shall be submitted to the University Research Committee.

8.7 Decisions on Recommendations of Examiners

- (a) After considering the recommendations of the relevant Academic Unit Research Committee, the University Research Committee shall decide:
- (i) to award the degree; or
 - (ii) to not award the degree; or
 - (iii) to permit the student to submit within twelve months of the Senate's decision, either
 - (iv) a thesis with minor amendments; or a thesis with major amendments and in each case for those amendments to be specified to the student in detail
 - (v) to take such other action as it deems appropriate.
- (b) Where substantial concurrence is not achieved by the examiners, the Academic Unit Research Committee may appoint an external arbitrator. The report and recommendation of the external arbitrator shall be forwarded to the Senate or nominee for approval.
- (c) A student shall not be permitted to resubmit a thesis on more than one occasion other than in exceptional circumstances, with the express approval of the DVC (RI&I) who may permit the student to revise the thesis and resubmit it for examination on one further occasion only, and specify the period within which it must be resubmitted.

8.8 Appeals

Appeals with regards to decisions under Regulation can only be made on procedural grounds and will be considered by the DVC (RI&I).

8.9 Condition for Award of the Degree

Students satisfying the requirements for award of the degree as prescribed in these Regulations will not be awarded the degree until they satisfy the requirement for the deposit with the University Library of copies of the thesis. To satisfy this requirement the University Librarian must confirm in writing to the DVC (RI&I) that the required copies of the thesis have been received by the Library. In addition, the Student Administrative Services must confirm in writing to the DVC (RI&I) that all Regulations including those covering the payment of fees have been met.

9.0 THESIS PRESENTATION DEADLINES

9.1 Permission to submit thesis may, in exceptional cases, be granted until up to the following extended deadlines:

(a) Supervised Research Project

by Head of Academic Unit informally, until the end of the week before the next semester's Enrolment Week; formally, up to 1 further semester (but the student shall in this case be required to re-register and pay fees for that extended semester before their Project shall be received and assessed).

(b) A Master's Thesis

by Head of Academic Unit informally, until the end of the week before the next semester's Enrolment Week; formally, up to 1 further semester (but the student shall in this case be required to re-register and pay fees for that extended semester before their thesis shall be received and assessed).

(c) A PhD Thesis

by Head of Academic Unit informally, until the end of the week before the next semester's Enrolment Week; formally, up to 1 further semester (but the student shall in this case be required to re-register and pay fees for that extended semester before their thesis shall be received and assessed).

- 9.2** Once a Supervised Research Project or thesis has been submitted for examination, and the student has no other coursework or other requirements to complete, the student is not required to register or pay any fees while awaiting the outcome of the examination, or while making any minor corrections to the thesis as required by the examiners before the final copy is submitted. However, if the examiners require that the Supervised Research Project or thesis be resubmitted for re-examination, the student must re-enrol for 1 further semester in order to complete the resubmission of the Supervised Research Project or thesis.

10.0 THESIS PRINTING, BINDING AND LODGEMENT

- 10.1 These Regulations are complementary to, and shall be read in conjunction with, the programme regulations for individual postgraduate degrees and the Guidelines on the Format and Style for the Presentation of Theses at the University of the South Pacific.
- 10.2 For the purposes of examination the student shall submit 3 copies of their PhD thesis or 2 copies of their Master's thesis or Supervised Research Project to the Vice-Chancellor or delegate. The copies may be soft-cover or ring-bound for this purpose.
- 10.3 Every thesis or Supervised Research Project shall be presented in print and/ or electronic form, or portfolio, as required by the University, using the referencing style required by their Academic Unit.
- 10.4 For the award of the degree, the student shall provide to the Academic Unit copies of the thesis or Supervised Research Project, corrected and/or modified according to directions of the University, as follows:
- (a) 2 hard-bound copies for those enrolled at Laucala Campus, or 3 hard-bound copies for those enrolled at Samoa or Emalus Campus; and
 - (b) an electronic copy in CD or DVD format.
- 10.5 The Academic Unit should distribute the copies as follows:
- (a) 1 copy with the University Library on Laucala Campus;
 - (b) 1 copy with the appropriate Academic Unit of the University; and
 - (c) 1 copy for the Library at Samoa or Emalus Campus, for those enrolled at those campuses. The Laucala Campus Library will accept and forward copies for the Samoa or Emalus Campus Libraries.
- 10.6 The hard-bound copies of the thesis or Supervised Research Project shall
- (a) be signed on the Declaration of Authenticity page by the student; and
 - (b) contain a statement of the student's restrictions regarding accessibility.
- 10.7 The copyright for the thesis or Supervised Research Project shall remain with the author.

PART B ADMISSION, REGISTRATION, WITHDRAWAL AND AUDITING

11.0 ADMISSION

11.1 Admission Procedures

- (a) Persons seeking admission to the University shall apply online using the Application for Admission form available on the USP website at www.usp.ac.fj/apply or apply using the application form.
- (b) An applicant shall submit the following documents with a signed copy of the Application for Admission Form:
 - (i) a certified copy of their birth certificate or passport or other legal document showing their names, date of birth, and citizenship (and if their current name is different from that on this document, their marriage certificate or other legal document confirming their change of name);
 - (ii) certified copies of educational qualifications and transcripts; and
 - (iii) other documents that may be required by USP.
- (c) Persons applying for admission to USP shall check the appropriate box on the online form or hardcopy form to declare that all information submitted is true.
- (d) All applications shall be received at University campuses by the following dates:
 - (i) for admission in Semester I, 31 December of the preceding year;
 - (ii) for admission in Semester II, 31 May of the year in which admission is sought;
 - (iii) or at a date specified by the University.
- (e) Late applicants shall be charged a Late Admission Application fee.
- (f) No person shall normally be admitted to more than one programme concurrently.
- (g) USP may, before a semester/trimester, decline to enrol a person in a programme of study or register a person in a course, where there are insufficient resources to deliver the programme or course.

11.2 Cancellation of Admission

- (a) The University may, at any time decline or cancel any person's admission to any programme or any student's registration for any course if it is satisfied that evidence supplied in support of the application was untrue or misleading.
- (b) In the event that the admission is declined or cancelled subject to clause 11.2(a), the student may reapply after one semester with the correct information and required documents and shall be considered as a new application.
- (c) For existing students, the matter shall be referred to the Student Discipline Committee.

11.3 Mature Student Admission

- (a) A person may be admitted as a mature student to a specific programme if in the opinion of Senate or its delegate, they are considered likely to be able to complete the programme successfully.
- (b) The decision of Senate or its delegate shall take into account the person's academic background, and nature of their employment and experience.
- (c) A mature applicant may be required to pass a course or courses that Senate or its delegate may prescribe as a prerequisite for admission to a specific programme.

12.0 REGISTRATION

- (a) Registration for courses shall take place prior to the beginning of each semester.
- (b) Late registration shall be permitted until the second Friday of the semester and the first Friday of the trimester.
- (c) Each student shall ensure, before they pay their fees, that:
 - (i) their proposed courses comply with the regulations for their programme;
